

## Alignment to North Carolina's World Language Essential Standards

### Voces® *Unsere Geschichten* ~ Stufe 3 ~ Einheit 1

*Unsere Geschichten, Stufe 3* is an interactive German curriculum framework that was created based on the principles of Acquisition-Driven Instruction and Comprehensible Input. This framework includes the vocabulary, themes, stories, and activities you need to create your custom German curriculum. *Unsere Geschichten, Stufe 3* will take your students through a Novice-High level of proficiency and beyond. The standards-based, online program integrates communication and culture in a cohesive, all-in-one format accessible to students and teachers from any device.

This document illustrates how unit one in *Unsere Geschichten, Stufe 3* aligns to North Carolina's World Language Essential Standards. If you have any questions, call 1-800-848-0256 or email [info@vocesdigital.com](mailto:info@vocesdigital.com).

<b>Einheit 1: Was ist Kunst?</b>			
<b>Communication</b>			
<b>Interpersonal Communication: Person-to-Person Communication</b> Interpersonal skills are used in informal, one-on-one or small group conversations. Students can ask for clarification when needed and negotiate with each other during the conversation. Most interpersonal communication involves everyday topics, like greetings, instructions, directions, current events, class discussions, news about family and friends, social events, requests for information, academic discourse, and so on.

## Culture

Learning about culture means building an understanding of the practices, perspectives and products of a society. The practices involve patterns of social interactions, such as how people are greeted or how respect is shown. Perspectives are the values, beliefs, ideas, and attitudes that are an integral part of life. Products are the books, foods, laws, music, games, etc., that are created and used within the society.

<b>Connections to Other Disciplines – Connections</b> Studying a world language involves making connections with other academic disciplines, formally and informally. Within the communication skills, the language arts of reading, writing, speaking, and listening are utilized. As students learn about numbers and currency, mathematics and economics are included. All of social studies is part of culture, as are the arts, health, physical education, and science. Career and technical skills in these areas are also drawn on, and technology is woven throughout world languages as a resource for materials and a means of expression and presentation.
